This matter was opened to the New Jersey State Board of Respiratory Care upon information that Tasha Lawson had been practicing respiratory care in the State of New Jersey without first obtaining a license in violation of N.J.S.A. 45:14E-9. Ms. Lawson practiced respiratory care at St. Barnabas Medical Center under a temporary permit. Following expiration of her temporary permit due to failure of the NBRC examination in early December, 1999, Ms. Lawson continued to practice respiratory care at St. Barnabas Medical Center until January 28, 2000. At that time, she ceased practicing until she received a second temporary permit to practice in New Jersey.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of formal proceedings; and Ms. Lawson, having acknowledged the facts stated above, but without acknowledging a violation of the above statute governing the practice of respiratory care, and having waived any right to a hearing in this

matter; and the Board finding that good cause exists for the entry of the within Order;

IT IS ON THIS 9TH DAY OF May 2000,

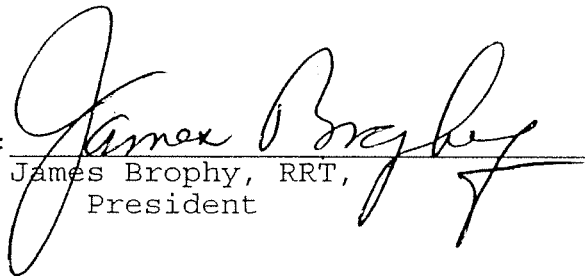

ORDERED:

1. Tosha Lawson is hereby reprimanded for the unlicensed practice of respiratory care.

2. Tosha Lawson shall, contemporaneously with the filing of this Order, pay a civil penalty and costs in the amount of \$250.00, by check or money order payable to the Treasurer of the State of New Jersey and forwarded to the office of the Board of Respiratory Care.
